(a) Domestic traffic is counted both at the airport of arrival and at the airport of departure. The total domestic plus international traffic is, therefore, only a measure of airport activity.

(b) Excludes passengers at Isles of Scilly (St. Mary's), Lands End, Metro London Heliport and Shoreham.

(c) Rotary wing includes only scheduled operations to/from full reporting airports and services to/from oil rigs.

Please note that figures may change overtime as each new version is produced. Information relating to an airport that has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
